“Once again I seem to get that ole incest”

We’re getting news on TV
about who’s doing well
on a dance show,

a singing one, and
who was voted off
an island. & from Disney

channels, the stars of
Disney films compel.

So how can you tell news
from entertainment?–to give
the latter a more neutral label.

Simple, news reports on the tit,
doesn’t suck its own.
